## THE NEXT GENERATION OF EXPRESS CRUISERS

The ECLIPSE 505 Shadow redefines luxury with its head-turning design, exceptional acceleration, and revolutionary interior appointments. Crafted by the most acclaimed yacht designers of our time, this model epitomizes superior marine engineering and design, delivering unmatched performance. Featuring Michael Peters' patented SVVT hull, the 505 Shadow sets a new benchmark in the 50-foot category.

The ECLIPSE 505 Shadow offers a true two-stateroom, two-head layout, with flush deck entertaining spaces typically found only on larger yachts. Its owner-centric design includes a Garmin Surround View Camera System, exquisite fabrics and touchpoints, Starlink connectivity, and triple Mercury Verados, making luxury and exclusivity on the water a reality. For those who demand the highest level, the pinnacle of yachting has arrived.
